

# Alaska Prospector Workshop Series

**Provider:** Delta Mine Training Center

**Website**

<http://www.dmtcalaska.org/Workshops.htm>

The workshop curriculum is designed to prepare the participant to conduct the basic fieldwork needed to locate, identify, access, and stake mineral claims. Basic outdoor, navigational, and mineral identification skills will be integrated with land status, economic, and mining methods instruction to provide a basis for more serious prospecting. Adjunct instructors, mineral industry professionals, and other guest experts will provide the varied instruction for these workshops.
